

## Distribution gun

### Description

Distribution gun

### Technology

Piston dual action

### Operating pressure

43 to 100 psi

### Outlet pressure

5800 psi (air pressure at 100 psi)

### Flow rate

300 z/min (for air pressure 87 psi)

### BSPP female thread

Air inlet : 1/4" FBSP

### Pressure ratio

58:1

### BSPP male thread

Grease outlet: G 1/4

## Description

Reference

**EPG PT400**

**EPG PT400GRA**

Description

Distribution gun

Fitting for hose EPG PT400
